What does the Report Look Like?

Below you will find a sample report provided free at the end of our test.

Your Personality Infographic

People generally perceive you as distant and reserved, and you do not usually reach out to others. You often resist any cravings or urges that you have, but sometimes you give in, however you experience panic, confusion, and helplessness when under pressure or stress. You get overwhelmed by too much noise and commotion and do not like thrill-seeking activities. You prefer familiar routines and for things to stay the same. You can tend to feel uncomfortable with change. You dislike confrontations and are perfectly willing to compromise or to deny your own needs in order to get along with others, however you are not affected strongly by human suffering, priding yourself on making objective judgments based on reason. You are more concerned with truth and

Personality Breakdown

This report compares you to other men between the ages of 21 and 25 in New York.

Neuroticism

You are generally calm, although some situations can make you feel anxious or tense. You do not usually get angry too easily but some things can annoy you. Mostly your emotions are on an even

needs in order to get along with others, however you are not affected strongly by human suffering, priding yourself on making objective judgments based on reason. You are more concerned with truth and impartial justice than with mercy. Your sense of duty and obligation is average and although you are mostly responsible you can sometimes be unreliable. ♪

You are generally calm, although some situations can make you feel anxious or tense. You do not usually get angry too easily but some things can annoy you. Mostly your emotions are on an even keel and you do not get depressed easily. You are not generally self conscious about yourself. You often resist any cravings or urges that you have, but sometimes you give in. You experience panic, confusion, and helplessness when under pressure or stress.

Extraversion

You generally make friends easily enough although you mostly don't go out of your way to demonstrate positive feelings toward others. You like crowds but sometimes feel overwhelmed by them. Sometimes you feel like you need some privacy and time for yourself. You tend not to talk much and prefer to let others control the activities of groups. You lead a moderately paced life. You like some energetic activities, but also like to relax and take it easy. You enjoy some excitement and risk taking in your life. You are not prone to spells of energetic high spirits.

Openness to Experience

Liberalism

You prefer facts over fantasy and are more interested in what is happening in the real world. You are not interested in the arts and do not display aesthetic sensitivity. You tend not to express your emotions openly and are sometimes not even aware of your own feelings. Familiar routines are good, but sometimes you like to spice up your life with a bit of adventure or activity. You prefer dealing with either people or things rather than ideas. You regard intellectual exercises as a waste of your time. You like the security of tradition, but sometimes have a desire to bend the rules and challenge conventional thinking.

Agreeableness

You mostly assume that people are honest and fair, however you are wary and hold back from trusting people completely. You believe that a certain amount of deception in social relationships is necessary. You are guarded in new relationships and less willing to openly reveal the whole truth about yourself. You do not particularly like helping other people. Requests for help feel like an imposition on your time. You are not adverse to confrontation and will sometimes even intimidate others to get your own way. You are willing to take credit for good things that you do but you don't often talk yourself up much. You are not affected strongly by human suffering, priding yourself on making objective judgments based on reason. You are more concerned with truth and impartial justice than with mercy.

Conscientiousness
